

Barcode labels are the key to effective Asset Management, whilst in a large number of cases manufacturer serial numbers shown as a barcode can be used, there is a good chance that a lot of the "stuff" that you want to manage will need to have a label added.

With AssetBlox you have the choice, you can order from us any design and size of label, include your logo if you like, go for colour or black and white, QR code or traditional style, its entirely up to you. Contact us at info@AssetBlox.co.uk for a quote.

Alternatively if you want to get up and running quickly we have discovered these brilliant labels, which you can print on your inkjet printer and yet they don't smudge and spoil. Click [here](#) to order a packet online and then click [here](#) to download a sample sheet of introductory labels and you can be up and running within hours
